

STONE CARE

# FINITO

## ULTIMATE SPRAY POLISH

DESIGNED FOR

ALL NATURAL STONE, QUARTZ, WOOD, METAL,  
VINYL, GLASS, STAINLESS STEEL & MORE!

Ready-To-Use

**FINITO** protects, smooths and beautifies all polished and honed stone surfaces. It adds shine and creates a protective shield that repels water, reduces finger marks and light scratches, smooths the surface and makes routine cleaning easier! Works fantastically on any solid surface not harmed by water including natural or engineered stone, finished wood, stainless steel, glass, acrylics and many more!

### APPLICATION:

Natural & engineered stone, stainless & much more

Clean the surface thoroughly, using our Stone & More. Allow surface to dry to a streak-free look. Apply **Finito** sparingly but thoroughly using a sprayer. Buff to a uniform finish using a clean microfiber cloth. If you notice some smearing occurring, stop buffing, wait for another minute or so, then buff again with a clean microfiber cloth. If streaking persists, spray a little bit more product and buff immediately to blend. When first used, a repeat application may be called for. **Finito** may need to be reapplied in a few days or a few weeks according to the level of use of the surface on which the product is applied.  
FOODGRADE SAFE.

### SPECIFICATIONS:

Appearance.....	Milky Liquid
Odor.....	Characteristic Odor
Specific Gravity.....	1.001
pH.....	5.0
Boiling Point.....	Near 212°F
Flash Point.....	None to boiling
Water Solubility in Water.....	Emulsifiable
