

STONE CARE

STAINLESS STEEL WIPES CLEANER

STAINLESS STEEL

MOISTENED WIPES
FOR STREAK-FREE
CLEANING

MB-19

MB-19 Stainless Cleaner and Protector Wipes are premoistened with a powerful formula designed to clean, polish and protect stainless steel surfaces. They will remove hard water stains, smudges, fingerprints, food spills, and residue from virtually any stainless steel surface or appliance. As they clean, they will also brighten, polish, and protect the surface with a clear coating that acts as a protective shield. Stainless Steel Cleaner & Protector Wipes also work on other types of metals including brass, silver, chrome, and copper.

APPLICATION:

Stainless Steel

Using gloves, scrub surface with abrasive side of towel until stains and deposits disappear. Use the smooth side to wipe the surface clean. Discard used towel. Buff off all residue with a soft, dry towel after application.
